CONFORMITY TO THE WORLD

I was shown the conformity of some professed Sabbath-Keepers to the world. Oh, I saw that it is a disgrace to their profession, a disgrace to the cause of God. They give the lie to their profession. They think they are not like the world, but they are so near like the in dress, in conversation, and actions, that there is no distinction. I saw them decorating their poor bodies, mortal bodies, which are liable at any moment to be touched by the finger of God and laid upon a bed of anguish. Oh, then, as they approach their last change, mortal anguish racks their frames, and the great inquiry is: "Am I prepared to die? Prepare to appear before God in judgment, and pass the grand review?" Ask them then how they feel about decorating their bodies, and if they have any sense of what it is to be prepared to appear before God, they will tell you that if they could take back and live over the past, they would correct their lives, shun the follies of the world, its vanity and pride, and would adorn the body with modest apparel, and set an example to all around them. They would live to the glory of God.

God's people are peculiar; such He is purifying unto Himself. **Testimonies for the Church Vol. 1 p. 131-136**

Welcome to the North Bay Seventh-day Adventist Church

Sabbath, September 23, 2023

And I fell at his feet to worship him. And he said unto me, See thou do it not; I am thy fellowservant, and of thy brethren that have the testimony of Jesus: worship God: for the testimony of Jesus is the spirit of prophecy.
